

GLO-GARD PACKAGING

Ensure Damage-Free Delivery to the Job Site With Innovative Packaging

Global Partitions is proud to introduce the finest packaging in partition shipping protection available – **Glo-Gard**. Regardless of whether the shipment contains two compartments or nine, your order is protected from the bumps and bruises normally associated with shipping.

Features of Glo-Gard Packaging:

- Internal dividers into which the partitions slide individually
- Additional padding to protect them from bumping into each other during handling and shipping
- Attached to a pallet and shrink wrapped
- Tip (N) Tell Monitor — indicates whether the container was mishandled or tipped
